- _____ other (please describe) _____

Please list key words for your paper: _____

I (we) have attached a paper prepared for blind review. I (we) will present the paper at the 2009 NRC Conference and submit it to be published in the NRC Yearbook if selected as the winner. I (we) wish to have this paper considered for the Student Outstanding Research Award. The research described in the paper was conducted, at least in part, after August 1, 2007 when I (we) held student status. The paper was solely student-written and not co-authored with a faculty member.

Signatures (author/co-author)

To Be Completed By Sponsoring Faculty Member:

I affirm that the attached research was conducted, at least in part, after August 1, 2007, while the applicant was a student and was solely authored by the student.
